

REMARKS/ARGUMENTS

The foregoing Amendment corrects translational errors and conforms the claims to United States practice. No new matter is added.

Amendments to the specification are presented by way of a substitute specification pursuant to 37 CFR 1.215 and 1.125(b) and (c). The substitute specification is supplied with a copy of the original specification marked to show the changes, all pursuant to 37 CFR 1.125(c). No new matter is added in the amendment of the specification.

Respectfully submitted,
